Profit & Loss

The profit and loss (P&L) statement is a financial statement that summarizes the revenues, costs, and expenses incurred during a specified period. The P&L statement is one of three financial statements that every public company issues quarterly and annually, along with the balance sheet and the cash flow statement.

Brain storming

Brainstorming is a group problem-solving method that involves the spontaneous contribution of creative ideas and solutions. This technique requires intensive, freewheeling discussion in which every member of the group is encouraged to think aloud and suggest as many ideas as possible based on their diverse knowledge

Empathy map

An empathy map is a tool used in design thinking to build an emotional representation of a user or the customer. It's a versatile activity that may be used to generate new product ideas as well as better understand existing ones.
